

Little Explorers Wish List April 2021

Please find below a list of some of the resources we are looking for to include in the setting. These resources are to support our new and natural vision for the setting as a whole. If you or your family/friends have any of the resources on the list that you are able to donate to the preschool we will be hugely grateful as the vision we have for the setting will be beneficial to the children in our care currently as well as those we care for in the future. Thank you in advance
Little Explorers Team

This month we are trying to concentrate on our outside areas for both the Birth to Three room and Foundation Stage room and make these more engaging and exciting areas for the children. We have some lovely items out there but the items on this list will help us utilise them to their full potential and offer new experiences for the children.

For our mud kitchens:

- Muffin tin
- Colander
- Whisks
- Napkin rings
- Mug trees
- Logs
- Log slices
- Stones
- Hob bars

For building:

- Small tyres
- Wooden planks (varying sizes)
- Bricks

To paint for small world playsets:

- Wooden cable reels

For linking different levels of water play:

- Drain pipes

For storage to go in/out of the shed;

- Wooden crates

To support the understand of growth:

- Plants
- Flowers
- Hanging baskets
- Compost
- Plant pots
- Planters
- Bamboo rods

For sectioning areas of the outside area:

- Pallets
- Bamboo/reed fencing
- Trellis

For giving resources a new lease of life:

- Chalkboard paint (suitable for outside)
- Paint suitable for tyres
- Varnish

For the children to wear:

- Wellies
- Waterproof clothing
