this reminder that late payments exceeding 14 calendar days will result in your child being eligible for funded hours only, where applicable.

- A second reminder will be sent after 14 days if payment has not been received and you will be advised that as per previous notice given, the attendance of your child at the setting is limited to funded hours only until such time as the late payment has been settled.
- Failure to make payment within twenty-one calendar days, will result in a submission to the small claims court.
- In the event of family financial hardship, please ask to speak to the School Business Manager, Finance Manager or Head Teacher regarding a payment plan.
- Non-attendance of booked sessions will not be refunded in any circumstance – staffing levels and other costs will still have to be met.
- A notice period of one month is required in writing, to terminate parent/carer contracts – fees will be liable in lieu of notice.
- Charges in the event of long-term absence will be subject to discretion of the School.
- If absence is prolonged, places cannot be held and must be re-applied for on return. If absence is for medical reasons, fees can be waived for a reasonable length of time. Governors will consider cases on individual basis.
- Parents/carers are expected to drop off and collect their children on time according to their booked times. Early drop-offs and late collections exceeding ten minutes will incur a charge of a flat fee of £15 to cover the staff costs as staff numbers need to be sufficient to maintain the required staff-to-child ratio. If the late pick-up exceeds 1 hour, then the additional charge will be £15 per subsequent part or whole hour. Late pick-ups less than ten minutes will be charged at the usual hourly rate.
- In extreme situations when the setting must close and where staff salaries are still being paid, we regret that fees must still be charged, and are grateful for your understanding. However, in certain circumstances, hours substituted at a later stage where staff are already employed (i.e. at no extra cost to the setting) may be considered by the Governors on a case-by-case basis.
- Change of hours – one month's notice must be given in writing if you intend to alter your child's hours at the setting

This policy will be reviewed annually – Summer 2025
